

## Palacio HOA Mailbox Key Delivery

I acknowledge that Palacio HOA can not provide extra spare keys or replacement keys. Additional keys are only available from the manufacturer [www.mailboss.com](http://www.mailboss.com) 1800 589-7990

I understand that to make sure that I will be able to order more keys – I must write the number that is on each key in a safe place or register the key with the manufacturer. [www.mailboss.com/register](http://www.mailboss.com/register).

If the key is lost, the homeowner is fully responsible for any cost to replace the lock or the key.
